Landscape TRI-FOLD Inside

Document Size - 8.75 x 11.25

To print to the edge after final cutting, (FULL BLEED) you must extend your image area at least thru the CYAN box.
Any text or imagery will be cut off of the final piece if inside the CYAN box.

Keep ALL text within MAGENTA border to insure your text will not be trimmed

Please make sure all imagery and/or text is at least 300 dpi
for best results keep as close to 600 dpi as possible.

You MUST remove this layer or it will be printed!
