

# 4" x 3.5" Inside

Document size: 4.25 x 3.75

To print to the edge after final cutting, (FULL BLEED)  
you must extend your image area at least thru the **CYAN** box.  
Any text or imagery within the **CYAN** box will be cut off of the final piece.

Keep ALL text within **MAGENTA** border to insure your text will not be trimmed.  
For maximum legibility, do not allow text to fall into fold area  
indicated by grey dotted line.

**You MUST remove this layer or it will be printed!**

Please make sure all imagery and/or text is at least 300 dpi  
for best results keep as close to 600 dpi as possible.
